

Chain Saw Oil

Premium Quality Oil for Chain Saws

Specially formulated from 100% pure virgin-based oil and high-performance additives. Recommended for chain saws operating under severe conditions.

Product Description:

Maritime Fuels Plus Chain Saw Oil is specifically developed for lubrication of chains, sideways and guide bars of modern chain saws in industrial applications. This product is currently available in two viscosity grades, light and heavy. The use of a specific viscosity will depend upon temperature and current conditions.

Product Features:

Physical & Chemical Properties

Property	Method	Light	Heavy
Colour	Visual	Red	Red
Density @ 15°C (kg/l)	ASTM D4052	0.8632	0.8841
Water Crackle	Hot Plate	Dry	Dry
Kinematic Viscosity @ 40°C (cSt)	ASTM D445	55	125
Flash Point (°C)	ASTM D92	206	255
Pour Point (°C)	ASTM D97	-37	-28

**The information contained herein is subject to change without notification.*

Applications:

This Chain Saw Oil is intended to be used on handheld machines or as specified by the manufacturer.

Health & Safety:

Based on the current description as well as the available information, this product is not expected to produce adverse effects on health when used for its intended application in conjunction with the recommendations provided in the Material Safety Data Sheet (MSDS).

Material Safety Data Sheets are available upon request through your sales contract office or at www.maritimefuels.ca

Environmental Safety:

Please recycle this product container and remaining oil in appropriate facilities.
